

TEMPOTEST awning fabrics, designed more creatively, made only from the best solution-dyed "outdoor" acrylic fibre, woven better to perform better, treated better to look better for longer, handle better to make-up and sew better.

TEMPOTEST fabrics are tested and pass the most stringent specifications to ensure that you can rely on them, and your customer can rely on your awning, and will comeback for more.

TEMPOTEST quality means your customer's loyalty.
